WAIVER
of right to Training Compensation for the football player
_____ (FIFA ID: _____) - Player Passport _____

By means of this Waiver, the football club _____ (hereinafter referred to as “the Club”), affiliated to _____ expressly, unconditionally and irrevocably waives its right to receive any Training Compensation (the meaning of the definition “Training Compensation” shall be understood as it is stipulated in the FIFA Regulations on the Status and Transfer of Players) for the football player _____, citizen of _____, born on _____, (hereinafter referred to as “the Player”).

The Club therefore states and confirms that it voluntarily waives its right to any Training Compensation for the Player and, therefore, if the Player and any other football club enter into an employment contract between them, the Club won’t claim any Training Compensation, and a new club of the Player shall not be obliged to pay any Training Compensation to the Club or any of its affiliates (such as youth academy, amateur club etc). The Club agrees to waive and return the entire sum mandated by FIFA in its decision for EPP ID: _____.

The Club understands and acknowledges that by signing this Waiver it essentially loses any possibility to claim any Training Compensation for the Player.
